PT. ISTANA ALAM KAHURIPAN

COMMITTED TO SUSTAINABILITY AND QUALITY, PT ISTANA ALAM KAHURIPAN DELIVERS HIGH-PERFORMANCE CHEMICAL SOLUTIONS THAT OPTIMIZE OPERATIONS AND MINIMIZE ENVIRONMENTAL IMPACT. WE ARE DEDICATED TO PROVIDING OUR CLIENTS WITH PRODUCTS AND SERVICES THAT CONTRIBUTE TO A MORE SUSTAINABLE FUTURE.

INTRODUCTION

As a leading chemical company, PT Istana Alam Kahuripan has successfully provided innovative solutions for various industries since 2022. With a focus on quality, safety, and sustainability, we have built a solid reputation as a trusted partner. We are committed to continuously developing our products and services to meet the evolving needs of our customers and contribute to a better future.

A BRIEF STORY ABOUT THE COMPANY

PT ISTANA ALAM KAHURIPAN

ABOUT US

PT Istana Alam Kahuripan is a dynamic chemical solutions provider, committed to delivering innovative and sustainable products to the oil and gas, mining, and industrial sectors. Our comprehensive range of products and services includes maintenance chemicals, water treatment solutions, and drilling fluids, tailored to meet the diverse needs of our clients. With a strong focus on quality, safety, and environmental responsibility, we have established a solid reputation as a reliable and trusted partner. Our state-of-the-art manufacturing facility, coupled with our experienced team, enables us to deliver high-quality products and services that meet the evolving needs of our clients. By combining technical expertise with a customer-centric approach, PT Istana Alam Kahuripan is driving innovation and shaping the future of the chemical industry.

VISION

To be A Leading and Respected Chemical Specialist
and Engineering Services Manufacturing Company
through Professionalism and Best Performance

MISSION

To establish a sustainable business which delivers top
quartile shareholder return and promotes Customer
Service, Employee Welfare, Safety and Stewardship
of The Environment and Social Responsibility

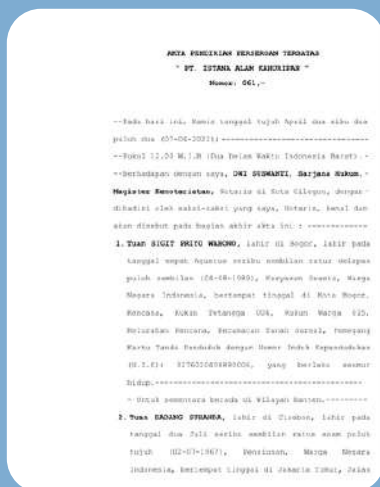

OUR VALUES

At PT Istana Alam Kahuripan, we prioritize innovation, quality, safety, and sustainability, fostering trust through a customer-centric approach and teamwork, while striving for excellence in the chemical industry.

CORE SERVICES

We focus our products on chemical industries and retail sectors, including Oil and Gas, Mining, Petrochemical, Automotive Industries, Hospitals, and Food & Beverage Businesses. Our services include providing technical consulting to solve and prevent problems for our customers.

Our products are specifically designed and developed to meet our customers' needs and wants. We are always ready to address any specific problems that require special handling. To fulfill our vision of continuous improvement and customer satisfaction, we are supported by a strong and experienced R&D team. This enables us to provide fast and accurate solutions for our customers.

BUSSINESS FOCUS

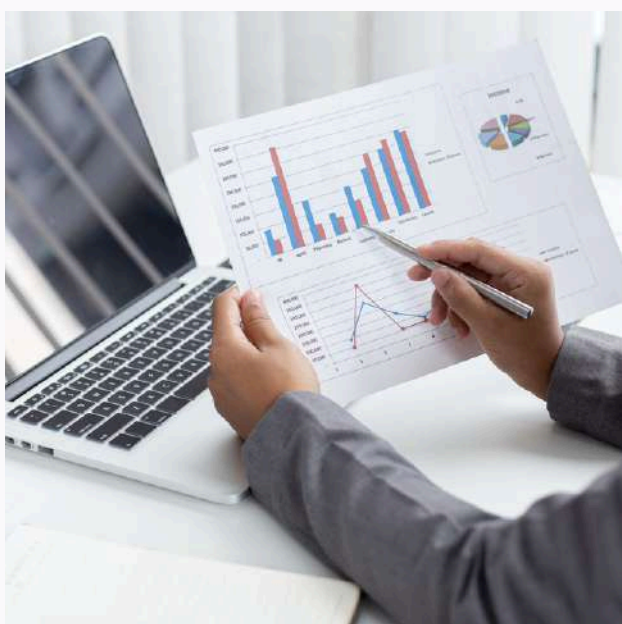

CHEMICAL PRODUCT :

- Maintenance Chemicals
- Water Treatment Chemicals
- Waste Water Treatment Chemicals
- Drilling Chemicals
- Oil Field Chemicals
- Mining Chemical

ENGINEERING SERVICES :

- CHANGE OUT CATALYST
- EPCM
- PRE COMMISSIONING AND START UP
- EQUIPMENT REPAIR, OVERHAUL
- SPECIALITY TECHNICAL SERVICE
- STUDY AND ENGINEERING
- EPC
- WTP AND WWTP EQUIPMENT
- CLEANING TANK
- PLANT TURNAROUND
- MODULAR PACKAGE
- TRAINING
- ASSESSMENT/AUDIT
- TANK AND VESSEL REPAIR
- PRE COMMISSIONING SERVICES
- DEHYDRATION UNIT
- PLANT OPERATION AND MAINTENANCE

OPERATIONAL AREAS

Our company's operations are spread across several strategic locations. Our factory, located in Bekasi, is equipped with modern technology to efficiently produce high-quality products. Our workshop in Bogor, integrated with the factory, ensures smooth production processes by providing regular maintenance and repair services for equipment. Our head office in Jakarta serves as the coordination, administration, and decision-making center. Our branches located in Karawang play a vital role in bringing our services closer to customers in various regions.
